East Waikiki Primary School Charges

1. Parents pay for the cost of their child participating in activities / events as they arise, rather than having to make up-front payment.
2. The amounts collected for charges vary from year level to year level depending on the nature and range of activities undertaken. Students only incur a cost when they are involved in a particular activity. **The estimated amounts indicated for each year level (K-6) represent the maximum amount that a parent / carer should anticipate being charged for activities if the student were to participate in all activities likely to be planned for that year level.**
